

# AYDEN KROHN

## FULL STACK DEVELOPER

### PROFILE

Greetings! I'm Ayden Krohn, a dedicated individual transitioning from five years in grocery retail to pursue a career in programming. Completing an intensive six-month bootcamp, I gained expertise in front-end, back-end, and database technologies. Now, equipped with a robust foundation in programming principles and retail experience, I am poised to make a meaningful impact in the dynamic world of programming.
